Exhibit 1.

Standing Rules for Endorsements — San Diego Democratic Club/ San Diego Democrats for Equality

- Section 1.** Club endorsements of candidates for public office and club positions on ballot propositions may be determined at any properly noticed club meeting, provided that a quorum is present and that the notice of the meeting (normally contained in the Club newsletter) included notification of the races or ballot measures which are to be considered for endorsement or rating. (A quorum 10% of the members in good standing at the time of the meeting.) To be eligible to vote for endorsement of a candidate or ballot proposition, a member must have been a member in good standing at least 25 days prior to the meeting. A recently lapsed member, whose membership expired within 65 days of an endorsement meeting, shall be able to vote upon payment of dues, whether in advance of or at an endorsement meeting. Proxy voting and absentee voting is not permitted; however, a club member who attends a meeting where an endorsement vote is held may exercise the option to cast an endorsement ballot prior to the vote, pursuant to the procedures indicated in Section 17 below. Candidates and their staff members, who are otherwise eligible to vote, are also eligible to vote on all endorsements.

- Section 2.** Voting on any endorsement shall be by secret ballot, or a ranked-choice ballot, when requested by any member eligible to vote. A ranked-choice ballot option shall include all eligible candidates, including the option of “No Endorsement” and numerical rankings, to indicate a club member’s desired candidate from most-preferred to least-preferred. Tabulators will collect ballots from club members and sort ballots into piles based on first-choice. If no candidate receives the required 60% threshold on the first count for endorsement, than the candidate(s) who received the lowest number of first-choice votes is removed from contention, and those ballots are redistributed to their second choices. This process is repeated up to three (3) rounds until a candidate receives the required 60% threshold for endorsement.
- Section 3.** The Executive Board shall recommend the selection of races and propositions to be included on the slate for consideration. The selection may be modified by a majority vote of those eligible members present and voting.
- Section 4.** In partisan and non-partisan elections, only Democratic candidates may be endorsed. This rule is not subject to suspension.
- Section 5.** In order to qualify for an endorsement or an “qualified rating”, a candidate must be fully support reproductive choice and fully support marriage equality, as measured by responding affirmatively and unequivocally to all related questions on the club’s candidate survey. In the event that this requirement is waived by the two-thirds vote necessary to waive these Standing Rules, an affirmative vote of at least two-thirds of the club members present and eligible to vote shall then be required to endorse the candidate or rate the candidate “qualified.”
- Section 6.** An affirmative vote of at least 60 percent of the club members present and eligible to vote shall be required to endorse a candidate, rate a candidate, or take a position on a ballot proposition. The vote required is measured by all those eligible members “present,” not just those “present and voting”. The option of “No Endorsement” shall be included on the endorsement ballot for each race or ballot measure.
- Section 7.** Only one candidate may be endorsed per seat. An endorsement implies that the club recommends that people vote for that candidate rather than any other candidates for that seat. It does not necessarily imply that the club

supports all of the candidate's positions. In the case of candidates for County Democratic Central Committee only, the Club shall have the option of listing all duly-paid Club members in endorsements, without making an endorsement, and without limiting the number of candidates listed to the number of seats available. At its discretion, the Club's executive board may also recommend the Club endorse in Central Committee races, even when more Club members are running than seats are available.

- Section 8.** Candidate surveys shall be prepared and approved by the Executive Board and shall be reviewed periodically (at least every two years) to ensure that current issues are adequately reflected as specified in the club's platform. Candidates for judicial office will be evaluated on a specifically tailored and limited survey and/or attendance at the appropriate meeting. The completed survey shall be scored and assessed by the Vice President for Political Action.
- Section 9.** Candidates wishing to be considered for an endorsement or qualified rating must meet ONE of the following criteria: 1) They are eligible candidates for state-wide or national office; 2) They are declared a friendly incumbent by the Executive Board, with approval of the membership; or 3) They have completed a candidate survey.
- Section 10.** All candidates for non-partisan office who are eligible for an endorsement or a "qualified" rating and all Democrats for partisan office will be invited to appear at the endorsement meeting to answer questions.
- Section 11.** Prior to voting on a candidate race, a Club member shall either make a motion that the Club consider an endorsement in the specified race or a motion that the Club forgo an endorsement and immediately consider rating candidates in the race. A single such motion may include more than one race; however, at the request of any member, a separate vote to consider an endorsement or to consider rating candidates shall be taken on a particular race. A simple majority vote is required for either motion to pass. If neither a motion to consider an endorsement or a motion to consider rating candidates in a race receives a majority vote, then the outcome shall be listed as "No Position" in that race.
- Section 12.** If no candidate receives the required 60 percent vote for endorsement, subsequent ballots shall be taken deleting the candidate receiving the least

number of votes and those receiving no votes on the previous ballot. This occurs in the event a club member does not request a ranked-choice ballot.

Section 13. If after the completion of balloting, no candidate has received the 60 percent of the vote required for an endorsement, the chair may entertain motions to rate one or more of the candidates. If a candidate is endorsed, no remaining candidates shall be rated as qualified.

Section 14. The club may choose any of the following options for rating candidates:

a. “Qualified”—Circumstances justifying this rating include, but are not limited to:

(i) the candidate does not qualify for an endorsement, however the club feels the person is supportable,

(ii) the candidate has a good record and/or good position statements, however the club disagrees with the candidate on one or more significant issues,

(iii) there are more than one good candidates, and the club prefers to rate them each as qualified rather than endorse a single candidate.

b. “Unacceptable”—Circumstances justifying this rating include, but are not limited to:

(i) the candidate has a poor position or record on one or more critical issues,

(ii) the candidate has demonstrated a lack of responsiveness or sensitivity to the lesbian, gay, bisexual, and transgender community.

c. “No Position”—Circumstances justifying this rating include, but are not limited to the following:

(i) not enough information is known about the candidate,

(ii) the candidate appears to be between the ratings of “Qualified” and “Unacceptable,”

(iii) it would not be politically expedient to take a position.

Section 15. The club may rate any ballot proposition as “Support,” “Oppose,” or “No Position.”

Section 16. In the event that the club entertains a motion to rate a candidate or ballot proposition, and 60% of those voting cannot agree on the assignment of

any of the rating options listed above, then that candidate or proposition shall be assigned the rating of “No Consensus.”

Section 17. No candidates, including candidates who are also club members, may be present for debate on the office for which that candidate is contending.

Section 18. A club member who attends a meeting where an endorsement vote is held may exercise the option to cast an endorsement ballot prior to the vote. The Teller shall hold such ballots until the vote is called for that particular race or ballot measure. In the event that the motion to consider an endorsement in a candidate race fails, the ballots submitted in advance shall be discarded. Ballots submitted in advance are considered only in the first round of balloting; they are not included in runoffs.

Section 19. Endorsements or ratings of candidates in a Primary Election automatically carry forward if the candidate advances to the General Election. A candidate rated “qualified” in a Primary Election who advances to the General Election is eligible to be considered for an endorsement in the General Election.

Section 20. Club fundraising activities may only be conducted for the campaigns of those candidates endorsed by the club and those ballot propositions earning a rating of “Support.” The club, by a 60% vote, may designate certain races/issues as “priority campaigns” to indicate that those campaigns should be given priority in terms of fundraising or club-coordinated volunteer efforts.

Section 21. These rules may be suspended by a 2/3 vote of those present and voting, provided that a quorum is present. These rules may be amended by a 2/3 vote of those present and voting at any properly called club meeting, provided that a quorum is present, and provided that notice of the proposed amendment was included with the notice of the meeting.

Friendly Incumbent Endorsement Guidelines

A. Friendly incumbent endorsements may be considered for all incumbents who have a supportive voting record on appropriate issues, as determined by the Executive Board. The friendly incumbent endorsement is intended to reward incumbents for their support and should be completed early so the candidate has a greater opportunity to use the Club’s

endorsement to discourage challengers.

B. A friendly incumbent endorsement does not require the completion of a questionnaire. However, the incumbent is required to address the membership and take questions from them at a properly noticed general meeting within six (6) months of the membership voting to endorse the incumbent's re-election.

C. The Executive Board may determine eligibility for a friendly incumbent endorsement for an incumbent who has no voting record by virtue of holding an administrative, executive or other non-legislative office. At the discretion of the Executive Board, and in consideration of the recommendations of the Vice President for Political Action, the Board may choose to require a friendly incumbent to have previously completed a club questionnaire, prior to consideration of friendly incumbent status.

D. Friendly incumbent endorsements may be approved on a consent calendar. 10% of the eligible voting members present member may remove a candidate from the consent calendar for separate consideration.

E. Where an incumbent does not receive a friendly incumbent endorsement, the office will be treated as open. All candidates that office (including the incumbent) will then be required to follow the standard endorsement procedure.

Endorsement Meeting Guidelines

The Vice President for Political Action, or another Board member designee, shall make a good-faith effort to invite all candidates for office to appear for a candidate forum on the race to be considered. When the Club takes up a race, the Vice President for Political Action shall announce the score each candidate received on the Club questionnaire, with an elaboration on particular answers if necessary.

Candidate Forum

At the discretion of the Executive Board, the Club may choose to forgo a formal candidate forum, or to conduct a candidate forum in each race being considered by the Club.

The forum structure shall be as follows:

1. Candidate Opening Statements – 3 to 5 minutes, with candidates informed of the timing in advance.

2. Discussion – Question and Answer – 10 to 20 minutes
 - a. Questions to be addressed so that all candidates may answer them. No questions aimed only at one particular candidate.
 - b. Depending upon time constraints, at the discretion of the Vice President for Political Action, members shall submit written questions or be given the opportunity to submit questions from the floor.
 - c. Members are encouraged to ask questions relevant to the Club’s mission of advancing LGBT equality, although issues of candidate viability, fundraising ability, endorsements or the candidate’s “vision” are also appropriate.
 - d. Generally three to five questions per race are appropriate.
3. Closing Statements – 2 to 3 minutes for each candidate
4. Discussion and Voting
 - a. At least three members advocating for or against an endorsement shall be recognized by the meeting chair, with each side provided equal opportunity to address the membership. Discussion may be limited to one or two minutes per speaker.
 - b. Members shall be instructed that the threshold question for consideration is whether to endorse in a particular race. After the discussion of endorsement, a vote is generally taken, consistent with the bylaws. Following a decision to endorse, the members may discuss the individual merits of endorsing a candidate, as well as providing any arguments against endorsing in a particular contest.
 - c. Voting may be done by a show of hands or membership cards, or by secret ballot when requested by a member.

**Board Policy Guidelines —
San Diego Democratic Club/ San Diego Democrats for Equality**

Note: Board Policy Guidelines can be amended or suspended by a two-thirds vote of the Board present at any regular or special Board meeting where a quorum is present.

A. Newsletter/Website/Endorsement Mailer/E-News

1. Paid advertising may be accepted for the newsletter, website, e-News, Freedom Awards program, or Club endorsement mailer in accordance with a rate schedule

approved by the Board.

2. Political advertisements may be accepted only from candidates or initiative campaigns endorsed by the Club. Non-political advertisements may be accepted from businesses or individuals, as long as the advertising does not violate the content restriction included in Number 3 below.
3. Sexually explicit advertising or advertising that is contrary to the mission of the Club will not be accepted.
4. Endorsed candidates may, at their own expense, print flyers to be inserted into the newsletter announcing fundraising and other campaign activities. If the campaign has been designated as a priority campaign, the Club may pay for the printing of the insert. Special candidate advertising may also be placed in the Club's weekly E-news to members.
5. The President may approve informational or event-related inserts provided by other organizations, provided that the content of the material is consistent with the Club's mission, platform, endorsements, and statements of position, and also provided the insertion is in compliance with postal and political campaign regulations.
6. As a general rule, a maximum of three inserts will be approved per month, with priority given to flyers for priority campaigns.

B. Meeting Programs

1. Program topics should be consistent with the mission of the Club as stated in Article II of the bylaws and the Club platform.
2. If the program is a candidate forum, all Democratic candidates who have filed for a partisan office and all candidates who have filed for a non-partisan office shall be invited to participate.
3. If the program is a presentation regarding a ballot initiative, the Club will endeavor to have representatives from both the opponents and the proponents. An exception may be made where the Club has already taken a position to endorse or oppose an initiative.

4. The Program Committee Chair shall submit program proposals to the Board for approval at least one month prior to the program.

C. Use of the Club's Membership Lists

Per the bylaws, the membership records are confidential. Use of the Club's membership lists is subject to a two-thirds vote of the board.

1. The membership list shall not be provided to ballot measures and candidates not endorsed by the Club.
2. Unless approved by the Board by a two-thirds vote, the membership mailing list and the gay/lesbian/bisexual/transgender/friends voter list may not be given to a campaign or another organization or individual. If approved, club members can put labels on mailers and the Club can process the mailing, or the Club may arrange for a professional mailing firm to handle the addressing and mailing. Candidates for club offices and board positions may request access to Club membership lists for purposes of campaigning. When requested, the Membership Committee Chair shall provide a copy of the membership list, including member name, mailing address and e-mail address, where provided. All membership lists shall be returned to the Membership Committee Chair after the conclusion of a club election.
3. The Club's membership list and gay/lesbian/bisexual/transgender friends voter list are not to be rented, traded, or sold.
4. The Club membership list may be provided to the San Diego County Democratic Party and the National Stonewall Democrats, with the exception of those members who specifically request confidentiality. This policy is to go into effect after the notice of the policy change has been published in the Club newsletter for three consecutive issues. On future membership forms, there will be a check-off box for members to indicate if they do not want their name given to the Democratic Party or National Stonewall Democrats.

D. Procedures for Absentee Voting for the Election of Club Officers

(Note: These procedures are based on the procedures for mail balloting prescribed in Robert's Rules of Order, Newly Revised and the procedures for absentee balloting of the Registrar of Voters.)

1. Absentee ballots are only permitted for the purposes of the election of Club officers.
2. The announcement of the meeting at which the election is to be held shall include instructions for requesting an absentee ballot.
3. Any member eligible to vote in the Club election (i.e., member in good standing for 90 days prior to the election) shall be entitled to obtain an absentee ballot. Although the intent of the absentee ballot is to provide those unable to attend the meeting with the opportunity of voting in the election, members are not required to state the reason why they will be unable to attend.
4. A written request for an absentee ballot shall be submitted to the Nominating Committee Chair and mailed to the Club's post office box or delivered in person, and must be received no later than seven days prior to the election. The request must be signed by the member and should indicate the address to which the absentee ballot is to be mailed. The Nominating Committee Chair shall retain the written request so that the signature of the member is available for validating the ballot according the procedures below.
5. In order to accommodate members who may be going out of town, the Nominating Committee Chair or member designated by the Nominating Committee Chair shall mail the absentee ballot to members in a timely manner upon receipt of the request (preferably within 3-5 days after the request is received). The post office box shall be checked twice a week during the month preceding the election, if possible, and after the delivery of mail on the day of the deadline for submitting requests. All absentee ballots shall be mailed no later than the day after the deadline for submitting requests to the address indicated on the request.
6. In order to be valid, (1) the mail ballot must be received in the Club's post office box or hand delivered to the Teller at the election meeting, and (2) it must be submitted in the manner specified below. If the ballot is hand delivered to the Teller, it can be delivered by anyone designated by the voter. For example, if a member is sick and requested an absentee ballot, the member can either return the ballot by mail or have a friend deliver it to the Teller at the election meeting.
7. Absentee ballots shall include the names of all eligible members nominated for each office at the meeting prior to the election meeting, and there shall be spaces for write-in candidates.

8. Each mail ballot shall be accompanied by an instruction sheet, a pre-printed No. 10 envelope (pre-addressed to the "Election Teller" in care of Club's post office box), and a blank smaller envelope. The Nominating Committee Chair shall print the member's name on the back of the pre-printed envelope. The voter is to be instructed to complete the ballot, fold it and place it inside the smaller blank envelope, seal the smaller envelope, place the smaller envelope inside the larger envelope, seal the larger envelope, and sign their name across the flap of the outer envelope.
9. The Nominating Committee Chair shall keep a list of all members who have been sent absentee ballots so that their names can be struck from the list of members eligible to receive ballots at the election meeting.
10. The Nominating Committee Chair shall give the Teller all of the unopened envelopes containing absentee ballots and a copy of all requests for absentee ballots received by the deadline. The Teller shall verify the signatures by cross-checking the signature on the envelope against the signature on the request for an absentee ballot. (If the back of the envelope is not signed, the ballot is invalid.) Next, the Teller shall take the small envelope with the ballot still sealed inside, and place it in a separate receptacle for absentee ballots. After the validity of all absentee ballot envelopes have been verified, the Teller shall place the absentee ballots in the ballot box.
11. Absentee ballots are not counted in runoffs. In the event, however, that a member requests an absentee ballot but attends the Club meeting where the election is held, the member shall be eligible to vote in person in any runoff.
12. These procedures can be amended by a majority vote of the Executive Board at any properly noticed board meeting at which a quorum is present.

E. Club Electronic Mailing List

1. The Club shall maintain an e-mail distribution list to send messages to Club members and to friends of the Club.
2. The e-mail list shall be used only for Club business. Appropriate messages include announcements of Club activities, announcements of major local Democratic Party activities, legislative action alerts, fund-raising events and campaign volunteer activities for endorsed candidates, and announcements of community activities of

particular interest to the Club membership. If a message doesn't clearly fit these criteria, the President shall make the determination of whether it may be posted. As a general guideline, no more than five messages should be sent to the list per week.

3. The President, the two Vice Presidents, the Legislative Advocacy Director, and the moderator shall have posting privileges. The Executive Board may also authorize other board members to have posting privileges.
4. The e-mail list of the Club shall not be loaned or sold to organizations, political campaigns, or individuals; however, messages that meet the criteria stipulated above may be forwarded to the list. The recipient list shall never be displayed or made publicly available.
5. Members shall have the option of being excluded from electronic mailings.

F. Email Voting Procedures

1. The Secretary shall serve as the Teller unless the Secretary is unavailable or ineligible to serve, in which case the President shall appoint another Executive Board member to serve as the Teller.
2. The Teller shall determine that all Executive Board members have ready access to receiving and sending e-mail in a timely manner. If a Board member does not have timely e-mail access, the Teller shall contact the member by telephone or other means to obtain their vote.
3. When an e-mail vote is called for, it need not be the exclusive means of voting. An eligible voter may choose to cast a ballot by telephone or in writing, if signed by the voter, and received by the Teller within the time allotted for voting.
4. An e-mail vote is permissible only when it is determined that a matter must be decided before the next regularly scheduled Executive Board meeting and that it is not practical to call a special meeting in the time available. A call for a vote by e-mail shall be made by either the President, by the Vice President for Resource Development if the President is out of town or otherwise unavailable, or by a two-thirds majority of the elected officers. For e-mail voting purposes, a quorum shall be considered a majority of the Executive Board eligible to vote and is

determined as votes are received by the Teller.

5. For this purpose, a vote of “abstention” shall count as vote cast toward the quorum. If the Teller does not receive a number of eligible votes equal to or greater than the quorum by the deadline for voting, the election fails.
6. The Teller shall use all due diligence to assure that all Board members eligible to vote have received notice of the vote to be taken and any information or discussion necessary to be fully informed of the matter to be voted on and the consequences of the vote.
7. The Teller shall set a reasonable time for response of not less than 36 hours and make the deadline a prominent part of the call for ballot. If the notice of the vote is sent out between noon on Friday and 8:00 a.m. on Monday, the time for response shall be at least 72 hours.
8. The Teller shall verify that the email was cast from an email address registered to an eligible Executive Board member.
9. The Teller shall not release any information prior to the final tally as to the number of ballots or the nature of the votes cast except ascribed below.
10. The Teller shall tally the votes and announce the results to the President or presiding officer if other than the president within 24 hours of the deadline for voting or as soon as number of votes cast is sufficient to determine the outcome.
11. Board members are permitted to change their vote up until the time the results are announced to the President.
12. Matters not covered herein shall be governed first, by the San Diego Democratic Club/ San Diego Democrats for Equality Bylaws and second, by the most current edition of Roberts Rules of Order, Newly Revised.
